I, Clair Mah, declare as follows:

1. This Supplemental Declaration supplements my Declaration dated October 17, 2008.

According to business records of Tiffany & Company, which the company keeps during the normal course of its business, and to which I have access, for the periods 1999 and 2000, the records show that Tiffany & Company spent \$981,096, and \$1,813,949, respectively, in advertising and marketing expense worldwide for Lucida SDRs.
